

HYDROTHERAPY TREADMILL

ULTIMATE (Model – OCAR)

Medical Rehabilitation Equipment

The Oceanic Aqua underwater treadmill system is designed for the ultimate in hydrotherapy and fitness, boasting a larger exercise chamber for wider variety of fitness opportunities, specially accommodating for sport teams, athletes and bariatric patients.

QUICK FACTS

Material Used	Stainless Steel (Grade 304)
Machine Size	L 80" X W 30" X H 60"
Water Height	Up to 48"
Inside Chamber Size	L 63" X W 28.5" X H 54"
Water Capacity	1409 Ltr
Belt	17.5"
Deck Total	26"
Motor Power	4 HP AC Continuous
Temperature Control	Up to 35° for warm water therapy
U.V. Sterilization	Yes
Basic Particle Filtration	Yes
Water Filling/Draining Process	Automatic
Water Level Control	Automatic
Water Fill In/Out Time	Less Than 2-3 Minutes
Display Features	Speed , Distance , Time , Calories
4 Jacuzzi Water Jets	Yes
Computer With Software	Yes
Lightning	Yes
Seat For Rehab Exercise	Yes
Reverse Walking	Yes

The Oceanic Fitness **Hydrotherapy Treadmill** system is designed for the Ultimate needs of sports **teams, athletes, and patients, to boost performance and improve recovery** from injuries.

Hydrotherapy is revolutionizing **physical therapy, sports medicine, and physical conditioning**. The large exercise chamber of this machine helps in exercises such as walking, retro-walking, sprinting, shuffling, back- pedaling, and polymeric activities. It serves the needs for a wide variety of **fitness opportunities featuring Unweighing capabilities, aquatic rehabilitation, and performance enhancement through warm-water therapy** as a medium to enhance the rehabilitation and performance.

HUMAN HYDROTHERAPY

SPECIFICATIONS

SR.NO	SPECIFICATIONS	DETAILS
1.	MATERIAL	Stainless Steel-304 grade & toughened glass
2	FULLY AUTOMATED UNIT	This unit is fully automated (switch on /off water fill /drain etc. Features can be controlled with a single touch on the touch screen control panel. System can also be accessed via windows software (optional)
3	HI-TECH FILTRATION SYSTEM	Water is recycled & goes through basic filter, sand filter, and carbon filter & finally uv filter for purification at highest level
4	RECYCLED WATER	Same water is recycled without wastage.
5	TOUCH SCREEN DISPLAY & CONTROL	7 inch waterproof Touch screen Control Panel. Console Showing Time,Speed, Distance & Exercise Time. Two Level of Control For Better User Experience & Safety. 1. Control from Touch Screen. 2. Control from Push Buttons. Programmable Treatments.
6	CONNECTIVITY	Machine is provided with a USB port and wifi enabled. Can be connected to PC/cloud/mobile for data sharing for maintenance.
7	VISIBILITY	Toughened glass on all four sides to view Gait.
8	FOLDABLE DECK	For easy cleaning.
9	PRODUCT CERTIFICATION	ISO 13485:2016 certification product. (Internationally Recognized for QMS in Medical Device)By Govt Approved lab. Listed Class A Device with a CDSCO. (GOVT OF INDIA)
10	DESIGN	Aesthetically designed can be customized also.
11	UNIT INSTALLATION	Unit can be installed indoor/ outdoor.
12	CUSTOMIZATION	Can be customized as per customer requirement. (length/ width /height/ water depth /design).
13	LOAD CAPACITY	Can take the weight of patient & therapist together.
14	SPEED RANGE	0-10 km/hr
15	SPEED INCREMENT	0.1 km/hr
14	MAINTENANCE	Can be accessed by PC remotely through USB port for easy upgrade & routine maintenance updates.
15	JACUZZI	Water resistance jets & lights for relaxing therapy.
16	POWER PLUG REQUIREMENT IN AMPERE	15 Amp for machine, 63 Amp for heater, 25 Amp for Pumps.
17	SPACE REQUIRED	3 feet X 8 feet for machinery in therapy room 4 feet X 3 feet space separately for pumps/ control box/ heater/filtration

OTHER FEATURES
7" Touch screen Control Panel
Programmable Treatments
Foldable Deck for easy cleaning
Resistance Jets optional
Water Filtration and Temperature Control optional
Can be kept outdoor

ABOUT US

- OCEANIC FITNESS is a pioneer and a very well known name in the field of manufacturing HYDROTHERAPY TREADMILLS for Humans, Canines, & Horses.
- It is 18 years old company and is a leader in the field of manufacturing Hi-Tech Equipment related to: Rehabilitation / Physiotherapy / Hydrotherapy / Medical / Gym & Fitness.
- It is ISO 9001-2015 certified, registered with NSIC and MSME of Govt. of India.. Also registered OEM
- All its Electrical devices are CE & EN certified for sale in worldwide market.

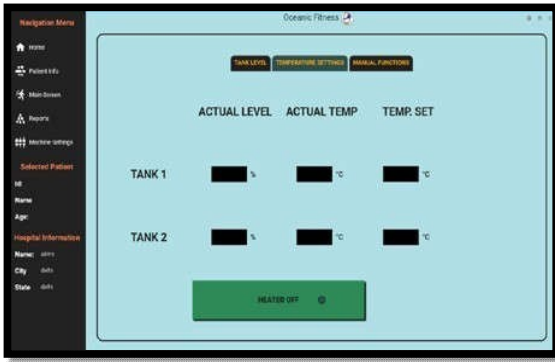

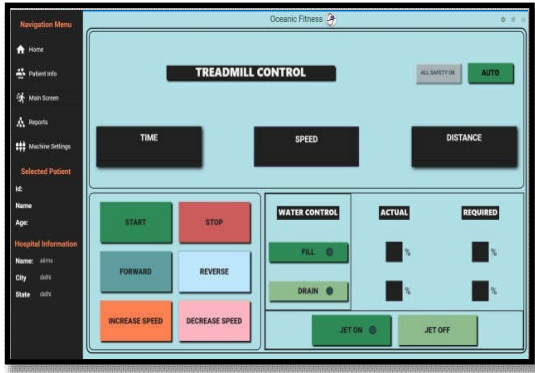

FULLY AUTOMATED UNIT-TOUCH SCREEN CONTROL PANEL

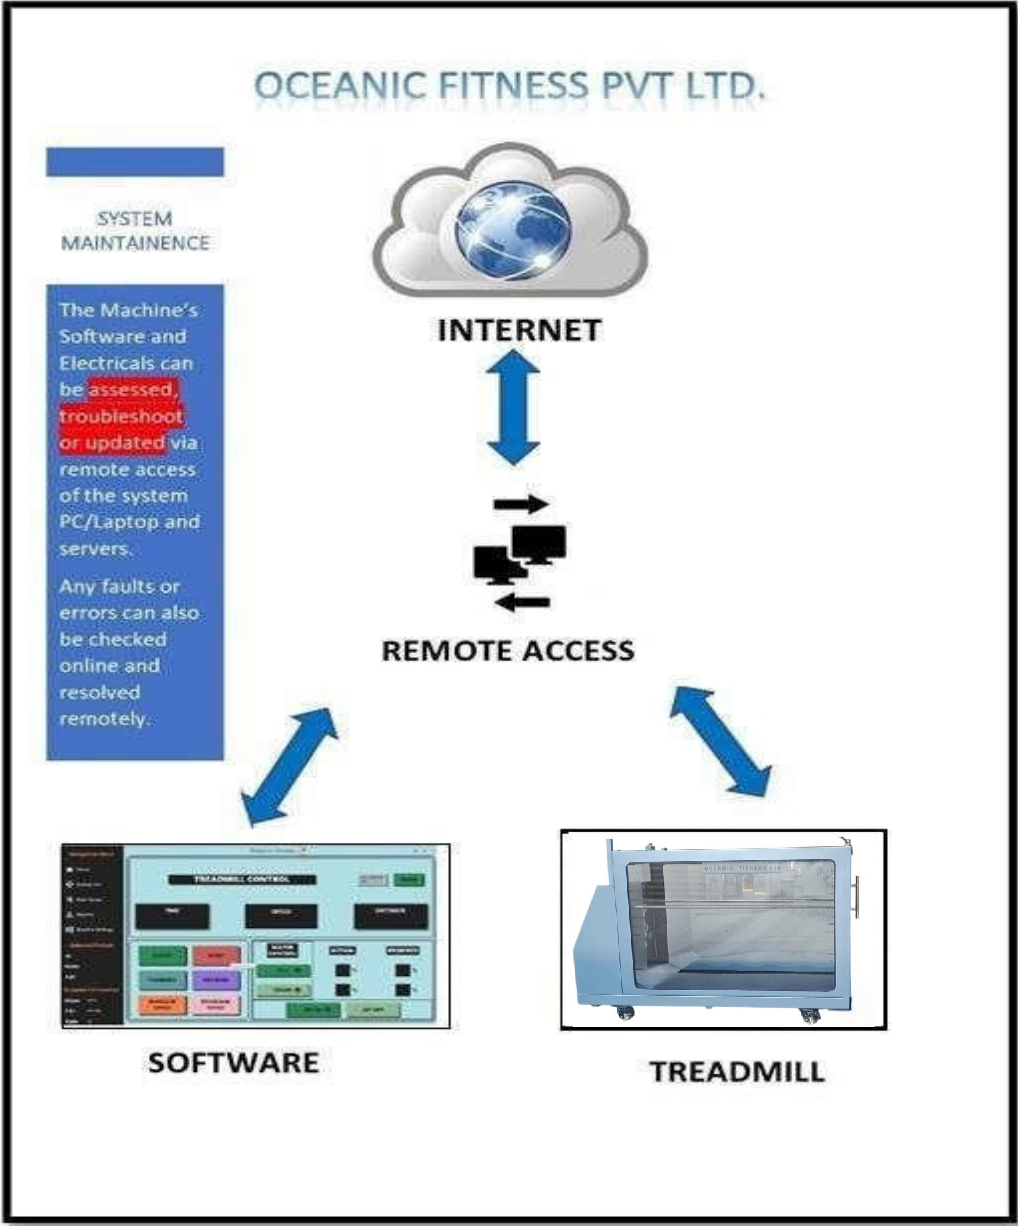

The unit is fully automated and Switch on/off, Temperature on/ off, Water fill/ drain etc features can be controlled with a single touch on touch screen control panel.

USER INTERFACE

The system can also be accessed via windows software. (Optional)

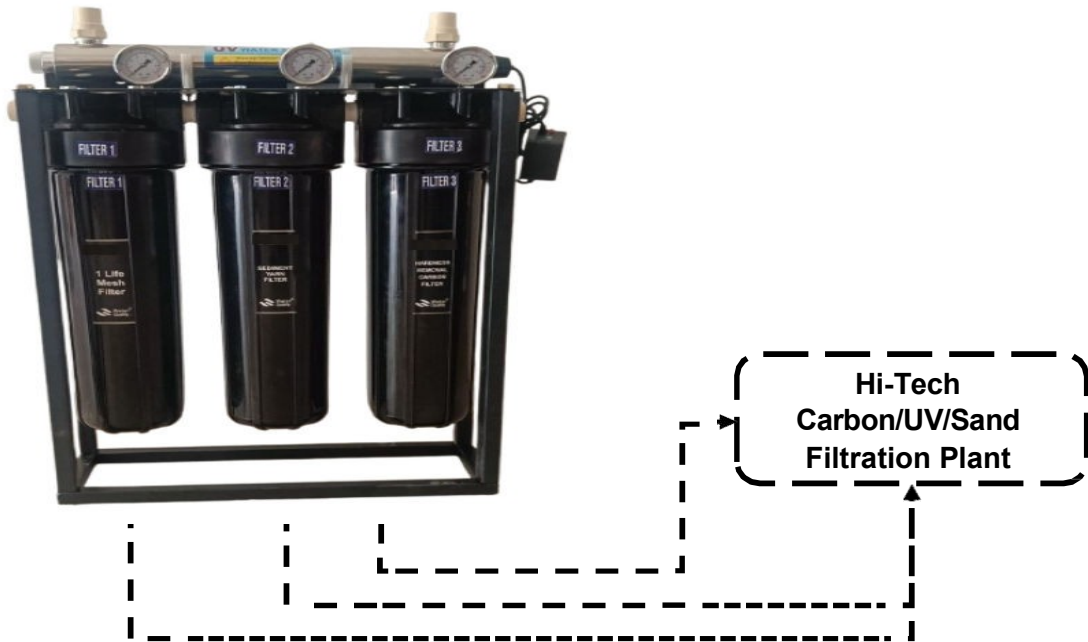

System can be remotely accessed via cloud based platform which helps in solving troubleshooting and system maintenance without wasting time for engineer visit. (Optional)

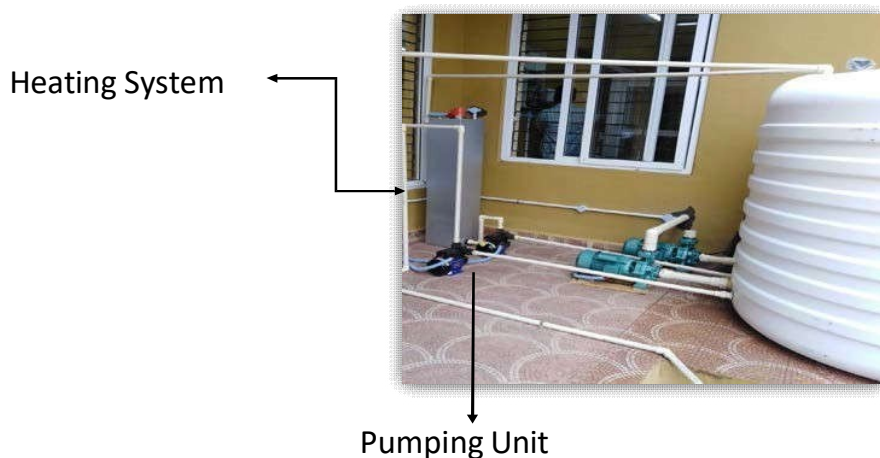

HI-TECH FILTRATION SYSTEM

- Unit is having Hi- Tech filtration system. In Filtration the water goes through pre- filter, Sand Filter, carbon Filter and the finally the UV Filtration, This ensures complete water purification at the highest level.
- Thus, same water is recycled without any wastage.

HEATING / TEMPERATURE CONTROL SYSTEM

- Unit has specially designed heaters having capacity of 5 KW or 10KW as per requirement of the location where it is to be installed (Depending upon cold / hot region).
- The heaters are installed in stainless steel box and temperature is controlled by software per therapy requirement.
- Heating: Water is Pre-heated as per temperature required for the therapy.

PUMPING SYSTEM

- HI Flow Pumps are used so that the water fill in and drain out period is reduced to a minimum(Less than 2-3 min)
- Following is a representation of installation setup between Storage tank, heating system, Hi-tech filtration unit and pumping system.

Pre filtration
& UV filter
Sand filter

Pumping Unit

CUSTOMIZATION OPTION AVAILABLE

Though we have certain fixed models which should be sufficient for your needs, but in case you have any specific requirements which need any alteration, we can do so since we are manufacturer & making the machine in-house. We are always open for suggestions for improvement.

- We provide complete guidance about the installation process to your plumber and electrician.
- If required, site visit can be arranged .
- 1 Year onsite warranty of the machine.
- Our Hydrotherapy Machine is installed at **New Delhi, Mumbai, Bengaluru, Chennai, Lucknow, Bareilly, Nagpur, Guwahati**
- We have PAN India Service network and presence.
