PAN INDIA NETWORK

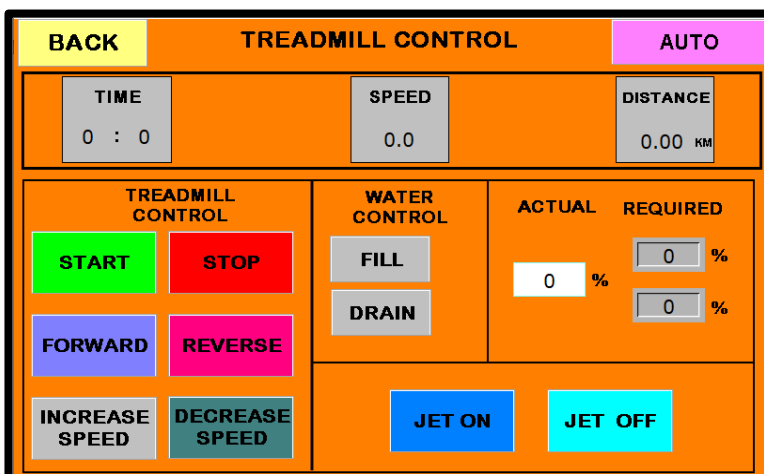

एन एस आई सी  
**NSIC**

**ABOUT US**

- OCEANIC FITNESS is a pioneer and a very well known name in the field of manufacturing HYDROTHERAPY TREADMILLS for Humans, Canines, & Horses.
- It is 17 years old company and is a leader in the field of manufacturing Hi-Tech Equipment related to: Rehabilitation / Physiotherapy / Hydrotherapy / Medical / Gym & Fitness.
- It is ISO 9001-2015 certified, registered with NSIC and MSME of Govt. of India.. Also registered OEM
- All its Electrical devices are CE & EN certified for sale in worldwide market.

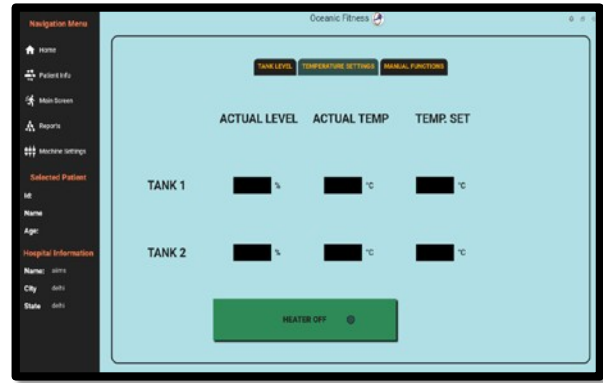

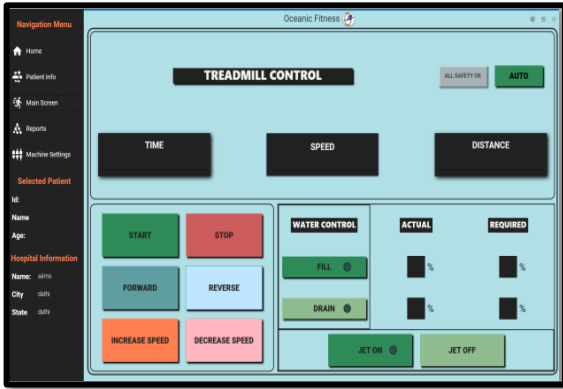

### FULLY AUTOMATED UNIT-TOUCH SCREEN CONTROL PANEL

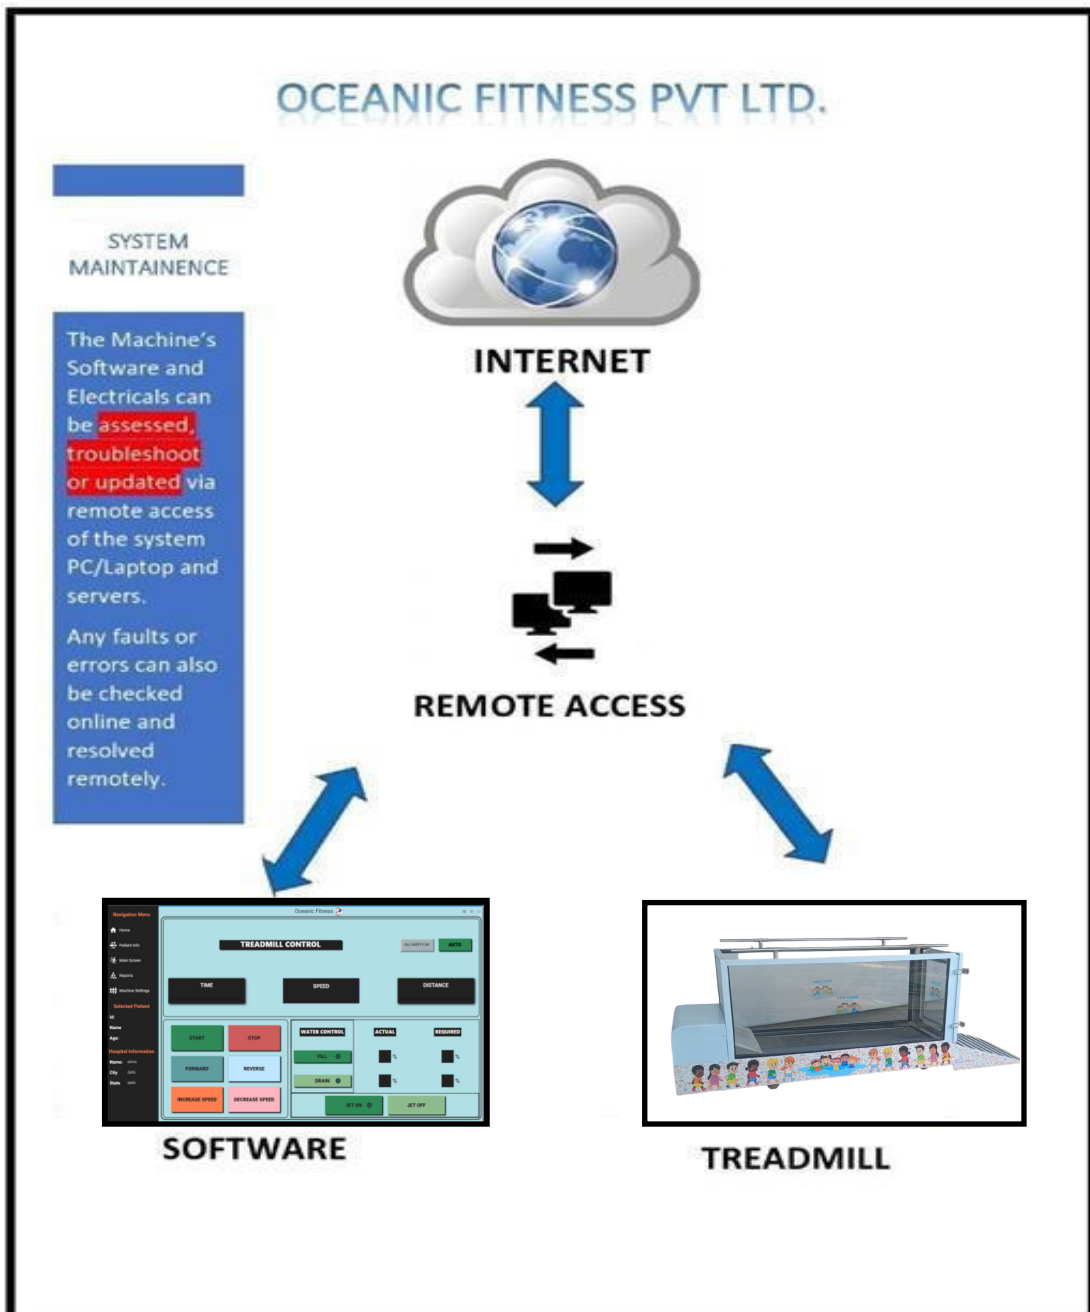

The unit is fully automated and Switch on/off, Temperature on/ off, Water fill/ drain etc features can be controlled with a single touch on touch screen control panel.

USER INTERFACE

## The system can also be accessed via windows software. (Optional)

System can be remotely accessed via cloud based platform which helps in solving troubleshooting and system maintenance without wasting time for engineer visit. (Optional)

## HI-TECH FILTRATION SYSTEM

- Unit is having Hi-Tech filtration system. In Filtration the water goes through pre- filter, Sand Filter, carbon Filter and the finally the UV Filtration, This ensures complete water purification at the highest level.
- Thus, same water is recycled without any wastage.

## HEATING / TEMPERATURE CONTROL SYSTEM

- Unit has specially designed heaters having capacity of 5 KW or 10KW as per requirement of the location where it is to be installed (Depending upon cold / hot region).
- The heaters are installed in stainless steel box and temperature is controlled by software per therapy requirement.
- Heating: Water is Pre-heated as per temperature required for the therapy.

Heating System

Pumping Unit

## **PUMPING SYSTEM**

- HI Flow Pumps are used so that the water fill in and drain out period is reduced to a minimum(Less than 2-3 min)
- Following is a representation of installation setup between Storage tank, heating system, Hi-tech filtration unit and pumping system.

## **CUSTOMIZATION OPTION AVAILABLE**

Though we have certain fixed models which should be sufficient for your needs, but in case you have any specific requirements which need any alteration, we can do so since we are manufacturer & making the machine in-house. We are always open for suggestions for improvement.

- We provide complete guidance about the installation process to your plumber and electrician.
- If required, site visit can be arranged .
- 1 Year onsite warranty of the machine.
- Our Hydrotherapy Machine is installed at **New Delhi, Mumbai, Bengaluru, Chennai, Lucknow, Bareilly, Nagpur, Guwahati**
- We have PAN India Service network and presence.
